

Florida Little Britches Rodeo Association

Sponsorship Form

2026-2027 Season

Ran by dedicated volunteers, helping the youth develop drive, passion, skill, and good sportsmanship.

About Us:

The Florida Little Britches Rodeo Association (FLBRA) was created in 2018, with a few dedicated parents and a small group of young contestants. The association quickly doubled in size the following two years. With about 160 contestants each weekend, it has grown to be one of the largest youth rodeo associations in Florida, consisting of contestants aged 5 – 18 divided into three age divisions (Little Wranglers, Juniors, and Seniors). Contestants come from all over the state of Florida and southern Georgia to compete in various events, such as barrel racing, pole bending, goat tying, breakaway roping, tie down, steer wrestling, steer riding, bronc riding, and bull riding, along with a few others.

Sanctioned by the National Little Britches Rodeo Association and managed by dedicated Officers and Directors. Our volunteers include parents, family members, and professionals who donate their time to produce a rodeo our youth members enjoy competing in. Each month, our contestants are given an opportunity to make qualifying runs in hopes of competing at the National Little Britches Final Rodeo in Oklahoma City, Oklahoma in July of 2027.

FLBRA is excited to continue its growth, providing a safe and competitive environment, and watching our youth strive in this sport, while also making memories and friendships to last a lifetime.
